Council Presentation – Police Chaplain Program

BACKGROUND INFORMATION:

The West St. Paul Police Department has had a Chaplain Program in conjunction with the Mendota Heights Police Department since 2003. Currently the program has seven active on-call volunteer chaplains who help serve our citizens and support our officers during critical situations as well as routine duties.

Our Chaplains frequently help with service calls involving sudden deaths, suicides, death notifications and other traumatic events. They periodically ride with officers on patrol and provide spiritual and personal support to officers as requested. The chaplains have assisted at community functions including Night to Unite, Citizens Police Academy and City Open Houses. They attend quarterly meetings with the departmental liaisons from each police department and periodically attend training and conferences.

We greatly appreciate the dedication and service our Chaplains provide and would like to recognize them for their service to our community and police department. The current chaplains are:

- Pastor Mike Verway, Assistant Liaison, First Calvary Baptist Church, serving for 3 years
- Pastor Joel Detlefsen, Riverview Baptist Church, serving for 7 years
- Chaplain Sue Plucker, Liaison, serving for 7 years
- Rabbi Lynn Liberman, Master Chaplain, serving for 12 years
- Reverend Alberto Vargas, Resource Chaplain, serving for 13 years
- Pastor John Snider, St Stephen’s Lutheran Church, serving for 16 years
- Butch “Chap” Millett, Master Chaplain, Bethel Baptist Church, Serving for 16 years

A special thank you to Sgt. John Hinderscheid, who oversees the program, along with Mendota Heights Officer Steve Hilyar.

Donations to the City

BACKGROUND INFORMATION:

The below described individuals and/or organizations have donated to the City:

West St Paul/Mendota Heights Rotary Club has graciously donated \$12,000 to the West St Paul Parks and Recreation Department for the installation of a new playground in Marthaler Park. The Rotary hosts a moonlight golf tournament every year, called Moonstruck, and proceeds from that event are donated to different organizations. Proceeds from the 2019 event are being donated to West St Paul to help offset the cost of the new playground in the newly renovated north end of Marthaler Park. Rotary members will also be volunteering their time to help with the install of mulch once the playground is installed. Representatives from the Rotary Club will be an attendance at this evening's Council meeting.

FISCAL IMPACT:

2020 Street Improvements Project 20-1

BACKGROUND INFORMATION:

The 2020 Street Improvements Project includes a mill and overlay of Marie Avenue from Robert Street to Oakdale Avenue and the reconstruction of an alley south of Bernard Street and east of Stryker Avenue. Bids for the 2020 Street Improvements Project were advertised, opened and read aloud on February 20, 2020. Six bids were submitted. The bids are shown below along with the engineer's estimate.

Contractor	Bid Amount
McNamara Contracting, Inc.	\$427,502.00
Bituminous Roadways, Inc.	\$439,521.25
Valley Paving, Inc.	\$454,794.15
Asphalt Surface Technologies Corporation	\$457,552.22
GMH Asphalt Corporation	\$458,409.95
Park Construction Company	\$472,706.05
Engineer's Estimate	\$426,163.54

McNamara Contracting, Inc. is the lowest responsible bidder. Our engineering consultant, Bolton & Menk, Inc. and City staff recommend that McNamara Contracting, Inc. be awarded the contract.

FISCAL IMPACT:

The Marie Avenue portion of the contract came in at \$321,324.00 and the alley reconstruct was \$106,178.00 for a total bid of \$427,502.00. Based on these bids, funding is estimated to be:

State Aid	\$208,861.40
Street Improvement Funds	\$10,617.80
Assessments	\$208,023.60 (plus Engineering & Admin.)
Total	\$427,502.00

STAFF RECOMMENDATION:

Staff recommends that City Council adopt the attached resolution and award a contract to McNamara Contracting, Inc. in the amount of \$427,502.00 for the 2020 Street Improvements Project 20-1.

GMH Asphalt Corporation	\$458,409.95
Park Construction Company	\$472,706.05
Engineer's Estimate	\$426,163.54

WHEREAS, it appears that McNamara Contracting, Inc. is the lowest responsible bidder.

NOW, THEREFORE, BE IT RESOLVED by the West St. Paul City Council that:

1. The Mayor and Manager are hereby authorized and directed to enter into a contract with McNamara Contracting, Inc. in the name of the City of West St. Paul for the 2020 Street Improvements Project according to the plans and specifications therefore approved by the City Council and on file in the office of the City Clerk.
2. The City Clerk is hereby authorized and directed to return forthwith to all bidders the deposits made with their bids, except that the deposits of the successful bidder and the next lowest bidder shall be retained until a contract has been signed.

Declare Excess Equipment – Trailer and Vehicle

BACKGROUND INFORMATION:

The City currently owns two trailers in which the Park’s department no longer utilize. In 2005, the trailers were purchased for the Park’s department. The trailers have no book value on the City’s fixed asset list as they are fully depreciated. These trailers will be auctioned off and the proceeds will be deposited back into the Vehicle and Equipment fund for future replacement needs.

The Building & Inspection (B&I) department has a 2013 Taurus in which the Police department transferred to the B & I department in 2017. Included in this year’s budget is a car to replace this one for the department. The department after the 2020 purchase will be fully equipped. The CIP-CEP has vehicles to begin replacement in 2026. This car will be auctioned off and the proceeds will be deposited back into the Vehicle and Equipment fund for future replacement needs.

Designation of Public Member for the South Metro Fire Department Board of Directors

ACTION TO BE CONSIDERED:

Adopt the attached resolution ranking the candidate for the Public Member seat on the South Metro Fire Department Board of Directors.

OVERVIEW:

The Joint Powers Agreement (JPA) between West St. Paul and South St. Paul established the South Metro Fire Department (SMFD) with a five member Board of Directors, including two City Council members from each City. The fifth and “Public Member” cannot be an employee of either City or of the Fire Department; cannot be a resident of either City; and cannot have been employed in the fire service of any governmental unit. The JPA selection process for the Public Member requires the SMFD Board to forward three names to the City Councils and provides:

“Each City Council shall rank each nominee by the number one, two, or three in the order of its preference – where one (1) is the highest preference. If a nominee receives the same ranking on each list, that nominee shall be appointed. If more than one nominee receives the same ranking, the nominee with the highest ranking shall be appointed.”

The official notice for the Board of Directors Public Member position was posted on the SMFD website. At the close of the application period, one application was received. The application received was from Dennis Wippermann. Mr Wippermann is the current Public Board Member for SMFD and is seeking his fourth two-year term, beginning April 1, 2020. The SMFD Board listed Mr Wippermann as their first preference. The South St. Paul City Council has not yet met on this issue.

Attached is a proposed resolution, which is consistent with the recommendation of the SMFD Board.

SOURCE OF FUNDS:

The stipend paid to SMFD Board Members is an included expense in the SMFD annual budget.

RESOLUTION NO. 20-

**RESOLUTION APPOINTING PUBLIC MEMBER TO THE
SOUTH METRO FIRE BOARD**

WHEREAS, the governing body of the South Metro Fire Department is made up of two members of each City Council of West St. Paul and South St. Paul and one Public Member; and

WHEREAS, the South Metro Fire Board (“Board”) received one application for the Public Member; and

WHEREAS, pursuant to the Joint Powers Agreement, the Board approved the following name for consideration as the Public Member:

1. Dennis Wippermann

WHEREAS, the West St. Paul and South St. Paul City Councils must rank the nominees in order of preference, with one (1) being the highest. If a nominee receives the same ranking on each list, then that nominee shall be appointed.

NOW, THEREFORE, BE IT RESOLVED that the West St. Paul City Council ranks the nominee in the following order:

1. Dennis Wippermann

Joint Powers Agreement with Dakota County for City Project 20-9

BACKGROUND INFORMATION:

Dakota County added a mill and overlay of Mendota Road (County Road 14) from Trunk Highway 62 to Trunk Highway 52 to one of their 2020 contracts. The north half of Mendota Road is in West St. Paul. Two other county roads, Wentworth Avenue and Delaware Avenue, are already on the docket for a mill and overlay in 2020. When these projects come up, the City evaluates storm and sanitary sewer structures for needed repairs. The storm sewer structures are in good condition on Mendota Road, but the sanitary sewer manholes need new castings that will include chimney seals to keep unwanted surface water from entering the sanitary sewer system.

A Joint Powers Agreement (JPA) is required between the City and County to define that the city pays for sanitary sewer work and the county pays for the mill and overlay on Mendota Road.

FISCAL IMPACT

The estimated cost to install the sanitary sewer casting is \$18,800. This will be paid for out of the City's Sanitary Sewer Fund. The City's current 2020 budget for Dakota County overlay projects has sufficient funds to absorb the additional sanitary sewer work on Mendota Road.

STAFF RECOMMENDATION:

Staff recommends that the City Council approve the Joint Powers Agreement with Dakota County for the Mendota Road Mill & Overlay Project, City Project 20-9.

AND

THE CITY OF WEST ST. PAUL

COUNTY PROJECT 14-33

CITY PROJECT 20-9

SYNOPSIS: Dakota County Transportation Department and the City of West St. Paul agree to include the necessary sanitary sewer structure repairs in the resurfacing of County State Aid Highway 14 (Mendota Road) from Trunk Highway 62 to Trunk Highway 52, County Project 14-33, in West St. Paul and Inver Grove Heights, Dakota County.

THIS AGREEMENT, made and entered into by and between the County of Dakota, referred to in this Agreement as "the County"; and the City of West St. Paul, referred to in this Agreement as "the City".

WHEREAS, under Minnesota Statutes Section 162.17, subdivision 1 and 471.59, subdivision 1, two governmental units may enter into an Agreement to cooperatively exercise any power common to the contracting parties, and one of the participating governmental units may exercise one of its powers on behalf of the other governmental units; and

WHEREAS, the County desires to resurface County State Aid Highway (CSAH) 14 (Mendota Road) from Trunk Highway 62 to Trunk Highway 52 in West St. Paul and Inver Grove Heights, County Project 14-33 (the "Project"); and

WHEREAS, the City desires to repair sanitary sewer structures along this section of CSAH 14; and

WHEREAS, it is considered mutually desirable to include the necessary City sanitary sewer structure repairs along CSAH 14 in County Project 14-33; and

WHEREAS, the County and the City have included this Project in their Capital Improvement Programs and will jointly participate in the costs of said highway resurfacing and sanitary sewer structure repairs.

NOW, THEREFORE, it is agreed that the County and the City will share responsibilities and costs associated with County highway resurfacing, sanitary sewer structure repairs, and related activities as described in the following sections:

1. County highway resurfacing. The County shall be solely responsible for the costs of the milling and bituminous overlay resurfacing of CSAH 14 from Trunk Highway 62 to Trunk Highway 52.
2. Sanitary Sewer – City Utility Repairs. The City shall be responsible for all costs associated with the utility repairs to sanitary sewer systems in the Project. The City shall be responsible for inspecting and approving the utility work. Further, the City shall be responsible for the maintenance of all such facilities after the completion of the Project.

3. Plans, Specifications, and Award of Contract. The County shall prepare the complete milling and paving plans and specifications and contract documents for County Project 14-33 consistent with State Aid design standards and the Dakota County Transportation Plan. The City shall be responsible for inventorying and identifying necessary sanitary sewer system repairs and preparing plans and technical specifications to be incorporated into the County's plans and specifications. The repair plans shall be in accordance with City standards unless the City and County mutually agree on the alternative specifications. The County Board will award the contract for construction to the lowest responsible bidder in accordance with state law.

4. Payment. The County will administer the contract and act as the paying agent for all payments to the Contractor. Payments to the Contractor will be made as the project work progresses and when certified by the County Engineer. The County will bill the City for the City share of project costs. Upon presentation of an itemized claim by one agency to the other, the receiving agency shall reimburse the invoicing agency for its share of the costs incurred under this agreement within 35 days from the presentation of the claim. If any portion of an itemized claim is questioned by the receiving agency, the remainder of the claim shall be promptly paid, and accompanied by a written explanation of the amounts in question. Payment of any amounts in dispute will be made following good faith negotiation and documentation of actual costs incurred in carrying out the work. By submitting a written request from the Authorized Representative, the City agrees to pay their share of project costs in accordance with this Agreement.

5. Amendments. Any amendments to this Agreement will be effective only after approval by both governing bodies and execution of a written amendment document by duly authorized officials of each body.

6. Effective Dates. This Agreement will be effective upon execution by duly authorized officials of each governing body and shall continue in effect until all work to be carried out in accordance with this Agreement has been completed. In no event will this Agreement continue in effect after December 31, 2021, unless the parties mutually agree to an extension of the project term.

7. Change Orders and Supplemental Agreements. Any change orders or supplemental agreements that affect the Project cost participation must be approved by the Authorized Representatives of each Party prior to execution of work. Both Parties shall endeavor to provide

timely approval of change orders and supplemental agreements so as not to delay construction operations.

8. Final completion. Final completion of a construction project must be approved by both the County and the City.

9. Pavement Maintenance. Upon acceptance of a project by the County and City, the County shall be responsible for all pavement maintenance within County right of way unless necessitated by a failure of a City utility system or installation of new facilities.

10. Subsequent Excavation. After completion of a project, and after expiration of the warranty period regarding repair, if excavation within the highway right of way is necessary to repair or install water, sewer, or other city utilities, the City shall apply for a permit from the County and shall be responsible to restore the excavated area and road surface to its original condition at the time of disturbance. If the City fails to have the highway properly restored, the County Engineer may have the work done and the City shall pay for the work within 30 days following receipt of a written claim by the County.

11. Rules and Regulations. The County and the City shall abide by Minnesota Department of Transportation standard specifications, rules and contract administration procedures, and State statutes as applicable to carrying out the work contemplated in this Agreement unless amended by the contract specifications.

12. Indemnification. The County agrees to defend, indemnify, and hold harmless the City against any and all claims, liability, loss, damage, or expense arising under the provisions of this Agreement and caused by or resulting from negligent acts or omissions of the County and/or those of County employees or agents. The City agrees to defend, indemnify, and hold harmless the County against any and all claims, liability, loss, damage, or expense arising under the provisions of this Agreement for which the City is responsible, including future operation and maintenance of facilities owned by the City and caused by or resulting from negligent acts or omissions of the City and/or those of City employees or agents. All parties to this agreement recognize that liability for any claims arising under this agreement are subject to the provisions of the Minnesota Municipal Tort Claims Law; Minnesota Statutes, Chapter 466. In the event of any claims or actions filed against either party, nothing in this Agreement shall be construed to allow a claimant to obtain

separate judgments or separate liability caps from the individual parties. The County shall include the City as additional insured in the contract documents.

13. Employees of Parties. Any and all persons engaged in the work to be performed by the County shall not be considered employees of the City, for any purpose, including Worker's Compensation, and any and all claims that may or might arise out of said employment context on behalf of said employees while so engaged. Any and all claims made by any third party as a consequence of any act or omission on the part of the County's employees while so engaged on any of the work contemplated herein shall not be the obligation or responsibility of the City. Any and all persons engaged in the work to be performed by the City shall not be considered employees of the County for any purpose, including Worker's Compensation, and any and all claims that may or might arise out of said employment context on behalf of said employee while so engaged. Any and all claims made by any third party as a consequence of any act or omissions of the part of the City's employees while so engaged on any of the work contemplated herein shall not be the obligation or responsibility of the County.

14. Audits. Pursuant to Minnesota Statutes Sec 16 C. 05, Subd. 5, any books, records, documents, and accounting procedures and practices of the County and the City relevant to this Agreement are subject to examination by the County or the City and either the Legislative Auditor or the State Auditor as appropriate. The County and the City agree to maintain these records for a period of six years from the date of performance of all services covered under this Agreement.

15. Integration and Continuing Effect. The entire and integrated agreement of the Parties contained in this Agreement shall supersede all prior negotiations, representations or agreements between the City and the County regarding the Project; whether written or oral. All agreements for future maintenance or cost responsibilities shall survive and continue in full force and effect in accordance with the Dakota County Transportation Plan after completion of the construction provided for in this Agreement.

16. Authorized Representatives. The authorized representatives for the purpose of the administration of this Agreement are:

Rental Licensing

BACKGROUND INFORMATION:

2020 rental licenses – background required

According to the rental dwelling ordinance, the city requires a background investigation for each new rental property applicant. In addition, the Police Department and Code Enforcement reviews calls for service to the properties to help identify potential problem properties.

The Community Development Department reviewed the application, inspection report, rental density, and code compliance requirements.

The background investigation, inspection report, and code compliance review on the properties listed below did not identify any incidents that would result in a denial of the rental license.

Special Benefits Appraisal for 2021 Street Improvements Project 21-1

BACKGROUND INFORMATION:

The 2021 Street Improvements Project includes reconstruction of Moreland Avenue from Delaware Avenue to Robert Street. The full street reconstruction will include new watermain and sanitary sewer lining. This project will be assessed in accordance with the City's Public Improvement and Special Assessment Policy. It is standard practice to get a special benefits appraisal completed at the front of assessed projects.

FISCAL IMPACT:

Engineering staff recently solicited proposals from two appraisal companies. Only one company, BRKW, submitted a proposal for \$13,500. BRKW successfully provided the City a special benefits appraisal for the Livingston Avenue 2019 Street Improvements Project at a similar cost.

STAFF RECOMMENDATION:

Staff recommends that City Council award a contract to BRKW, Inc. for special benefit appraisal services for City Project 21-1 in the amount of \$13,500.

Fire Code and Electronic Submission Ordinance

BACKGROUND INFORMATION:

The Minnesota Fire Code requires local Fire Departments to obtain reports related to the inspection, testing, and maintenance of fire protection systems located within the jurisdiction. The Fire Department can specify in ordinance how those reports shall be submitted. Currently, both West St. Paul and South St. Paul are silent regarding submission requirements for reports.

The South Metro Fire Board requests that both the City of South St. Paul and the City of West St. Paul enact the attached ordinance requiring reports to be submitted electronically pursuant to the Fire Chief's instructions.

FISCAL IMPACT:

ORDINANCE NO.

**AN ORDINANCE ENACTING SECTION 91.14 OF THE WEST ST. PAUL CITY CODE
REGARDING ELECTRONIC SUBMISSION OF INSPECTION RECORDS**

The City of West Saint Paul does ordain:

SECTION 1. ENACTMENT. West St. Paul City Code Section 91.14 relating to system inspection records is hereby enacted as follows:

Sec. 91.14 System Inspection Records.

Contractors who perform inspection, testing and/or maintenance services on fire protection systems within the City of West St. Paul are required to electronically submit all reports, as defined in the Minnesota State Fire Code, to the South Metro Fire Department using a method approved by the Fire Chief within 30 days following the date of inspection, testing, or maintenance.

SECTION 2. SUMMARY PUBLICATION. Pursuant to Minnesota Statutes Section 412.191, in the case of a lengthy ordinance, a summary may be published. While a copy of the entire ordinance is available without cost at the office of the City Clerk, the following summary is approved by the City Council and shall be published in lieu of publishing the entire ordinance:

The ordinance requires fire protection systems contractors to electronically submit inspection records to the South Metro Fire Department.

SECTION 3. EFFECTIVE DATE. This Ordinance shall be in full force and effect from and after its passage and publication according to law.

1st Reading – Ordinance Amendment Relating to Pawn Brokers

BACKGROUND INFORMATION:

City ordinance 111.07(A)(2) relates to the required use of Automated Pawn System (APS) to report transactions pawn brokers and precious metal dealers complete. This database is used by law enforcement to query stolen items in an attempt to locate the items, hold individuals accountable and return property back to their rightful owner.

Minneapolis Police Department developed and implemented a reporting system numerous years ago that was adopted by most cities in Minnesota and eastern Wisconsin including West St. Paul. Our current ordinance specifically states that pawn brokers and precious metal dealers must use this specific system to report all transactions.

Minneapolis has since sold this system to a private company called Business Watch International who renamed it to BWI Rapid. There have been many changes to the processes and subscribership. The system is currently used by only a handful of cities in Minnesota.

The most popular system being utilized in the Twin Cities is one called LeadsOnline. This system is a nationwide reporting system that is much more user friendly and overall is a better tool for the Police Department than the former system. A majority of our stolen property that goes through a pawn dealer occurs in St. Paul and St. Paul utilizes LeadsOnline.

Pawn America and West St. Paul Gold and Silver Exchange has been uploading all transactions into LeadsOnline since January 1, 2020, and has ceased entering items into the BWI Rapid system due to problems with subscribership and our desire to move away from BWI Rapid.

Both systems require a subscription agreement from the Police Department but are free to businesses. The current fee for LeadsOnline is \$2,400 per year, but those cost are recovered by pawn and sale transaction fees that Pawn America and West St. Paul Gold and Silver Exchange are required to submit to the city. For instance, in January of 2020 those fees were just over \$2,100.00.

We currently have a subscription with LeadsOnline and is a budgeted membership line item so there are no cost implications with the requested change in our ordinance.

The change in the ordinance we are requesting would make the required use of a reporting system more generic in terms of a specific system. The ordinance would require the use of a reporting system that is approved by the Police Department and does not specify a specific system.

Technology is changing constantly. With these changes, we are requesting less specific requirements regarding reporting systems in this ordinance.

ORDINANCE NO. _____

**AN ORDINANCE AMENDING SECTION 111.07 OF THE WEST ST. PAUL CITY
CODE REGARDING AN AUTOMATED PAWN SYSTEM FOR PAWNBROKERS AND
PRECIOUS METAL DEALERS**

The City of West Saint Paul does ordain:

SECTION 1. West St. Paul City Code Section 111.07(A)(2) relating to the required use of an automated pawn system is hereby amended as follows:

(A) *Purpose.*

(1) The City Council finds that pawnbrokers and precious metal dealers potentially provide an opportunity for the commission of crimes and their concealment because these businesses have the ability to receive and transfer stolen property quickly and easily. The City Council also finds that consumer protection regulation is warranted in transactions involving pawnbrokers and precious metal dealers. The City Council further finds that the pawnbroker and precious metal industries have outgrown the city's current ability to effectively or efficiently identify criminal activity related to pawnshops and precious metal dealers. The purpose of this section is to prevent pawnbroker and precious metal businesses from being used as facilities for the disposition of illegally-obtained property, to aid in the identification of individuals involved in criminal activities through the timely collection and sharing of transaction information, and to ensure that the businesses comply with basic consumer protection standards, thereby protecting the public health, safety and general welfare of the citizens of the city.

(2) To help the Police Department better regulate current and future pawnbroker and precious metal businesses, decrease and stabilize costs associated with the regulation of the pawnbroker and precious metal industries, and increase identification of criminal activities in the pawnbroker and precious metal industries through the timely collection and sharing of pawnbroker and precious metal transaction information, this section also implements and establishes the required use of ~~the an A~~automated ~~P~~pawn ~~S~~system (APS), as approved by the Police Department.

SECTION 2. West St. Paul City Code Section 111.07(F)(11) relating to the daily reports to the Police Department using automated pawn system is hereby amended as follows:

(F) *General license restrictions and conditions.*

(11) *Daily reports to Police Department using APS.* All required transaction record data must be transmitted electronically to the ~~State~~Police Department at the close of each business day using ~~the current version of~~APS. If the licensee is unable to report using APS due to technology failures

or interruptions, then all required records, including printed copies of all reportable transactions along with the required photographs or video tape for that day, must be maintained at the licensed premises and be made immediately available for inspection upon request by a police officer. If the electronic transmission failure is determined to be in the licensee's system, the licensee must take all reasonable steps including the replacement of its computer system and related components in order to return the electronic reporting system to working condition as soon as possible. If the nonfunctioning system or repair will require more than ten days to return the system to a working condition, the licensee must notify the Police Department. Failure by the licensee to correct a problem with its computer or other systems causing the licensee's inability to electronically transmit required transaction data to APS or failing to notify the Police Department of the malfunction within ten days is a violation of this section. Regardless of the origin of the technical problems that prevented the licensee from transmitting the required reports electronically, upon correction of the problem, the licensee must electronically transmit every reportable transaction to APS from each business day that the problem existed.

SECTION 3. SUMMARY PUBLICATION. Pursuant to Minnesota Statutes Section 412.191, in the case of a lengthy ordinance, a summary may be published. While a copy of the entire ordinance is available without cost at the office of the City Clerk, the following summary is approved by the City Council and shall be published in lieu of publishing the entire ordinance:

The Police Department collects and shares pawnbroker and precious metal transaction information to identify criminal activities in the pawnbroker and precious metal industries. The collection of this data is done through an automated pawn system. The Police Department will be changing from the current Automated Pawn System that is used to collect and store such data to another system.

SECTION 4. EFFECTIVE DATE. This Ordinance shall be in full force and effect from and after its passage and publication according to law.

1st Reading – Ordinance Amendment Related to Body Art

BACKGROUND INFORMATION:

Cosmetic tattooing is becoming popular in today’s society. Microblading (eyebrow), eyelid, and lip colorization, blending of scar tissue, and colorization of the areola area after reconstructive surgery are the ways cosmetic tattooing is being utilized. These procedures are being conducted in salons as well as in standalone establishments.

These procedures are very different than “regular” body art tattooing. Traditional body art tattooing utilized a “tattoo gun” that deposits pigment deep in the layers of skin creating a permanent effect. Cosmetic tattooing utilizes a special pen that deposits ink pigments in the top layers of the skin. These ink deposits are generally not permanent. An individual usually follows up after a certain period of time in order to maintain their desired cosmetic outcomes.

The Minnesota Department of Health currently regulates cosmetic tattooing including licensure of the providers.

Our current City ordinance does not allow for cosmetic tattooing except through the issuance of a body art license. The locations that body art establishments can operate are limited in the City of West Saint Paul.

Staff has been asked to review the current ordinance from individuals that would like to perform cosmetic tattooing within the city, specifically at Sola Salon.

Cosmetic tattooing has grown considerably with changes in technology, making this procedure more readily available. We have before Council this evening recommended changes to the Body Art Establishment ordinance that would allow an exemption to the City licensing requirements for cosmetic tattooing.

FISCAL IMPACT:

STAFF RECOMMENDATION:

Discuss the recommended changes and provide input as to the direction Council would like to pursue regarding the regulating of cosmetic tattooing within the City of West Saint Paul. If Council would like to pursue the ordinance amendment, a 2nd reading and public hearing will be placed on an upcoming Council agenda.

ORDINANCE NO. _____

**AN ORDINANCE AMENDING SECTION 111.06 OF THE WEST ST. PAUL CITY
CODE REGARDING EXCEPTION TO BODY ART ESTABLISHMENT ORDINANCE
FOR COSMETIC TATTOOING**

The City of West Saint Paul does ordain:

SECTION 1. AMENDMENT. West St. Paul City Code Section 111.06 relating to Body Art Establishments is hereby amended as follows:

Sec. 111.06 BODY ART ESTABLISHMENTS

(D) Definitions. For the purpose of this section, the following definitions shall apply unless the context clearly indicates or requires a different meaning.

BODY ART ESTABLISHMENT or ESTABLISHMENT. Any structure or venue, whether permanent, temporary or mobile, where body art is performed, except as provided in § 111.06(J). Mobile establishments include vehicle mounted units, either motorized or trailered, and readily moveable without disassembling and where body art procedures are regularly performed in more than one geographic location.

MICROPIGMENTATION OR COSMETIC TATTOOING. The use of tattoos ink or other pigmentation for semi-permanent or permanent makeup (often referred to as “microblading”) or to hide or neutralize skin discolorations.

(J) Exception. A business is not required to obtain a Body Art Establishment license if it is engaged solely in Cosmetic Tattooing limited to permanent or semi-permanent cosmetic procedures where pigmentation is implanted into and under the skin to create permanent or semi-permanent coloration to the lips, eyelids, eyebrows, hairline, scarred tissue, or areola area, and the business does not perform other forms of Body Art as defined by this ordinance.

SECTION 2. SUMMARY PUBLICATION. Pursuant to Minnesota Statutes Section 412.191, in the case of a lengthy ordinance, a summary may be published. While a copy of the entire ordinance is available without cost at the office of the City Clerk, the following summary is approved by the City Council and shall be published in lieu of publishing the entire ordinance:

The ordinance creates an exception to the Body Art Establishment license requirement for a business performing only Cosmetic Tattooing.

SECTION 3. EFFECTIVE DATE. This Ordinance shall be in full force and effect from and after its passage and publication according to law.

First Reading – Vacating Easements along Robert Street

BACKGROUND INFORMATION:

As part of the Suite Living development project along the east side of Robert Street, south of Hurley Street, the new owner, Landco Investments of West St Paul LLC, has petitioned the City to vacate three easements for public sidewalk, landscape, wall, drainage and utilities in exchange for one easement. Easements are vacated by ordinance, requiring two readings, one of which is a public hearing. In addition, notice must be provided to the adjacent property owners informing them of the hearing. The public hearing date will be March 23, 2020.

FISCAL IMPACT:

STAFF RECOMMENDATION:

Staff recommends that the City Council review the attached ordinance and approve the first reading.

Attachment: Ordinance Vacating Easements

**CITY OF WEST ST. PAUL
DAKOTA COUNTY, MINNESOTA**

ORDINANCE NO. _____

**AN ORDINANCE VACATING EASEMENTS
LOCATED WITHIN THE
CITY OF WEST ST. PAUL, MINNESOTA**

The City Council of West St. Paul does ordain:

SECTION 1. Pursuant to West St. Paul City Code § 95.55 and Minn. Stat. § 412.851, on petition of the majority landowner, with a majority vote of its members, the City Council may vacate any street, alley, public grounds, public way or any part thereof within the City by Ordinance; and

WHEREAS, Landco Investments of West St Paul LLC, a Wyoming limited liability company, petitioned to vacate the easements over its property situated in West St. Paul, Minnesota 55118, which are legally described on the attached Exhibit A (“Existing Easements”); and

WHEREAS, the City wishes to vacate the Existing Easements in exchange for a new easement described on the attached Exhibit B; and

WHEREAS, a notice of a public hearing on said vacation was duly published and posted in accordance with applicable Minnesota Statutes and a public hearing was held on said vacation at the City of West St. Paul, 1616 Humboldt Avenue, West St. Paul, Minnesota; and

WHEREAS, the City Council of West St. Paul then proceeded to hear all persons interested in said vacation and all persons interested were afforded an opportunity to present their views and objections to the granting of said vacation; and

WHEREAS, the City Council of West St. Paul has determined that the vacation would be in the public interest.

NOW THEREFORE BE IT RESOLVED, by the City Council of the City of West St. Paul:

1. That the City of West St. Paul, pursuant to West St. Paul City Code § 95.55 and Minn. Stat. § 412.851, hereby vacates the easements situated in the City of West St. Paul, County of Dakota, State of Minnesota, legally described on the attached Exhibit A.
2. That said vacation has no relationship to the City’s Comprehensive Plan and therefore the West St. Paul City Council has dispensed with the requirements of Minn. Stat. § 462.356,

Subd. 2, that may require the West St. Paul Planning Commission to perform a Comprehensive Plan compliance review of said vacation that may constitute a disposal of real property pursuant to § 462.356, Subd. 2.

3. That the City Clerk shall prepare a certified copy of this ordinance to be presented to the Dakota County Auditor reflecting the completion of the proceedings herein. The certified ordinance shall then be recorded with the Dakota County Recorder.

BE IT FURTHER RESOLVED, a new easement will be established and accepted by the City as described on the attached Exhibit B.

BE IT FURTHER RESOLVED, that the vacation of the Existing Easements is contingent upon the execution of the new easement by Landowner.

SECTION 2. SUMMARY PUBLICATION. Pursuant to Minnesota Statutes Section 412.191, in the case of a lengthy ordinance, a summary may be published. While a copy of the entire ordinance is available without cost at the office of the City Clerk, the following summary is approved by the City Council and shall be published in lieu of publishing the entire ordinance:

Landco Investments of West St Paul LLC requested the multiple easements, for public sidewalk, landscape, wall, drainage and utility purposes, on its property be vacated in exchange for one easement. The easements are generally located east of Robert Street between Hurley and Haskell Streets, in West St. Paul, MN.

SECTION 3. EFFECTIVE DATE. This Ordinance shall be in full force and effect from and after its passage and publication according to law.

EXHIBIT B
FORM OF NEW PERMANENT EASEMENT

PERMANENT EASEMENT

THIS INSTRUMENT is made by Landco Investments of West St Paul LLC, a Wyoming limited liability company (“Grantor”), in favor of City of West St. Paul, a Minnesota municipal corporation (“Grantee”).

Recitals

- A. Grantor is the fee owner of the following legally described property in Dakota County, Minnesota:
- Lot 1, Block 1, Suite Living Senior Care of West Saint Paul
- (the “Property”).
- B. Grantor desires to grant to Grantee a permanent easement over a portion of the Property, according to the terms and conditions contained herein.

Terms of Easement

1. **Grant of Easement.** For good and valuable consideration, the receipt and sufficiency of which are acknowledged by Grantor, Grantor grants and conveys to the Grantee a permanent easement for public sidewalk, landscape, wall, drainage and utility purposes over, under, across and through that part of the Property described and depicted on Exhibit A, attached hereto and incorporated herein.
2. **Scope of Easement.** The permanent easement which is granted herein includes the right of the Grantee, its contractors, agents, employees and invitees to enter the easement areas at all reasonable times for the purpose of locating, constructing, reconstructing, operating, maintaining, inspecting, altering, repairing and using public sidewalk, wall, landscape, storm sewer, sanitary sewer and water facilities, surface drainage ways and other public facilities or improvements in the described easement area.

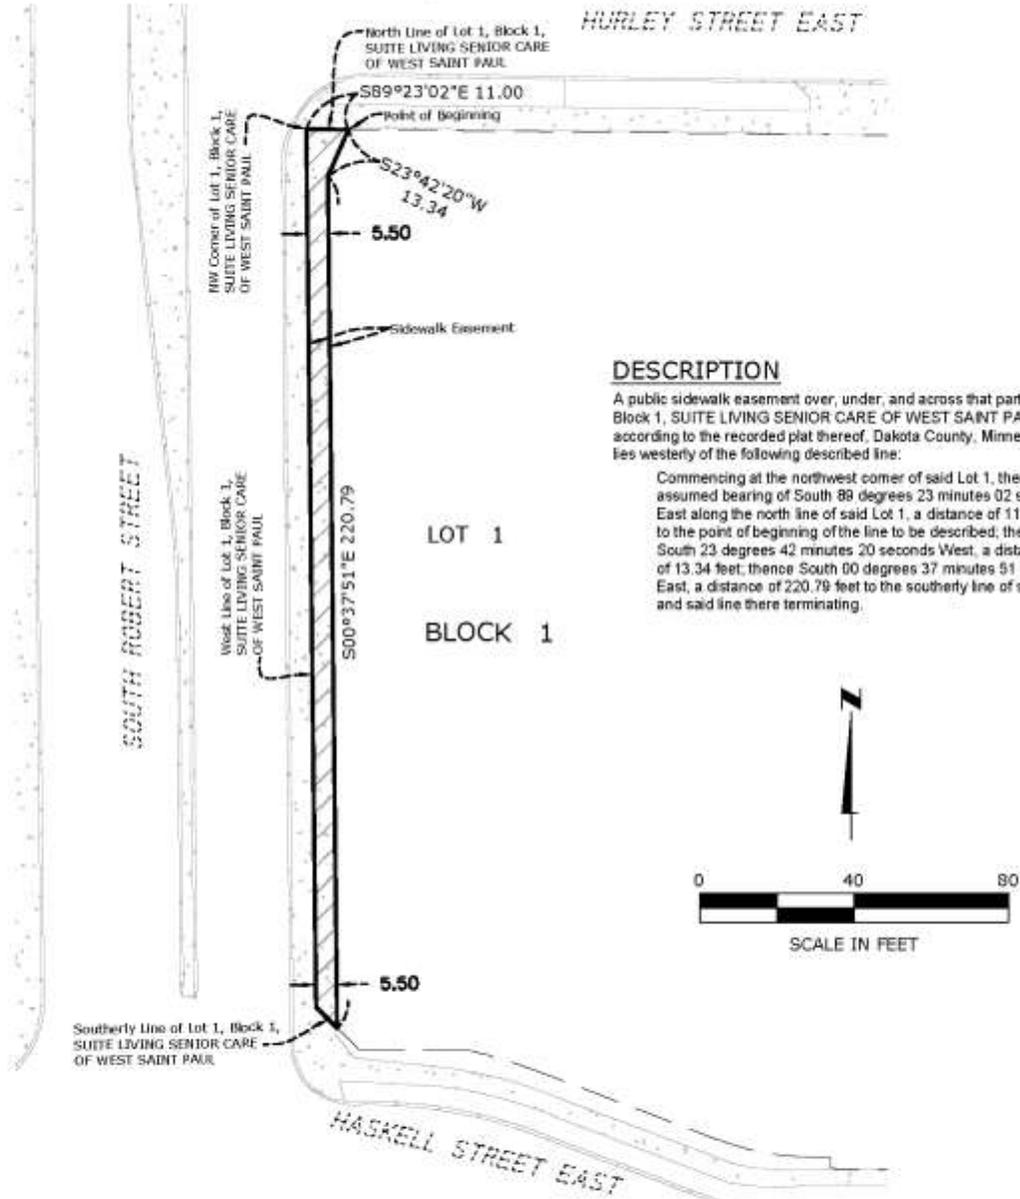

3. Warranty of Title. The Grantor warrants that it is the owner of the Property in fee simple, that it has the right, title and capacity to convey the easement herein to the Grantee, and that any judgments or liens against parties with the same or similar name as the Grantor are not against the Grantor.
4. Environmental Matters. The Grantee shall not be responsible for any costs, expenses, damages, demands, obligations, including penalties and reasonable attorney's fees, or losses resulting from any claims, actions, suits or proceedings based upon a release or threat of release of any hazardous substances, pollutants, or contaminants that may have existed on, or that relate to, the easement area or Property prior to the date of this instrument.
5. Binding Effect. The terms and conditions of this instrument shall run with the land and be binding on the Grantor, its successors and assigns.
