PLANNING COMMISSION:

The Planning Commission met in regular session on August 18th, 2020 to review the plans and held public hearing for the plat. No one from the public came forward or called to speak on the item. The Planning Commission voted 6-0 in favor of continuing the review of the proposal, to allow the EDA to review the case and consider both options:

1. The sale of the property,
2. The creation of an easement/encroachment agreement.

STAFF RECOMMENDATION:

Staff recommends that Council continue the public hearing to the next meeting to allow for additional time for both Staff and the EDA to review the item.
