Receipt of 2020 Annual Report

BACKGROUND INFORMATION:

Each year, staff assembles the accomplishments of the previous calendar year to present to the City Council and public. The 2020 Annual Report is by no means a complete list of everything the City accomplished, however it gives a list of all actions the City Council made and gives a brief overview of the most important work done by staff. It also lists many of the City's partnerships and collaborations with outside parties.

STAFF RECOMMENDATION:

City Staff recommends that the City Council acknowledge receipt of the 2020 Annual Report.
