

City Council Report

To: **Mayor and City Council**
From: **Ryan Schroeder, City Manager**
Date: **February 8, 2021**

Presentation from St. Paul Regional Water (SPRWS)

BACKGROUND INFORMATION:

The SPRWS is intending to upgrade the McCarron’s water treatment facility over the next couple of years. This is the plan from which West St. Paul residents receive their potable water. This project, which will occur over the next couple of years, is intended to improve water quality for the customer. SPRWS representatives will provide a 10-12 minute presentation regarding this project followed by an opportunity for Q&A.
