

TO: Park & Recreation Advisory Committee
FROM: Assistant Parks & Rec Director
DATE: February 9, 2021
SUBJECT: 2021 COVID Egg Hunt

City of West St. Paul

BACKGROUND INFORMATION:

The West St Paul Parks and Recreation Department annually hosts an egg hunt. Most recently the festivities took place in Harmon park and included an egg scramble, petting zoo and door prizes. The 2020 event had to be cancelled due to the pandemic. The Recreation Programmer, Sam, has developed a safe alternative that should be able to draw a good crowd and provide a fun event for kids. The event would remain free, but due to capacity limits and for tracing purposes, pre-registration would be required. Staff is proposing to hold this event at the West St Paul Sports Complex for a number of reason; it provides the best flow of traffic and spacing for this type of event, and to not confuse it with previous egg hunts at Harmon (which may return in the future). The event description and a tentative map are attached for discussion.

STAFF RECOMMENDATION:

Discuss 2021 Egg Hunt.
