Final Assessment Hearing for 2020-2021 Robert St. Sidewalk Snow Removal

BACKGROUND INFORMATION:

As required by state statute Chapter 429, the City Council is requested to hold a final assessment hearing for 2020-2021 Robert St. Sidewalk Snow Removal. The hearing date was set at the June 28, 2021 City Council meeting. Notice of the hearing was published in the July 11, 2021 edition of the *Pioneer Press*. In addition, each property owner was mailed a notice with their proposed assessment amount.

Attached is the final assessment roll. The final assessments were completed in conformance with the City's past practice of assessing the entire cost of the sidewalk cleaning/plowing along Robert Street from Mendota Road to Butler Avenue.

FISCAL IMPACT:

This contract is completely dependent on the amount of snow and ice the City receives each winter. All of the costs for this contract are assessed to the benefitting property owners along Robert Street. The total cost of the work for this past winter season was \$70,740.10 with an assessment rate of \$3.83 per front foot.

STAFF RECOMMENDATION:

Staff recommends that City Council conduct a public hearing and adopt the final assessment roll for 2020-2021 Robert Street Sidewalk Cleaning.
