**List two or three goals that you would like to see accomplished during your term on a commission.\***

As a family, we frequent all our parks and my daughters often do the WSP programming. It's been a way for them to understand themselves and I'd like to continue to ensure that investment is made in those programs and keeping our parks up to date. I'd specifically like to continue programming for our LGBTQ+ community and push for a "natural" park some place in WSP.

**How did you become interested in serving on a committee?\***

Wendy Berry reached out to me. I've been looking for a way to do something like this.
