<b>Action</b>	
Approve a resolution for a Master Partnership Contract (No. 1050231) with the Minnesota Department of Transportation.	
<b>Background</b>	
<p>The Minnesota Department of Transportation (MnDOT) is updating their Master Partnership Contracts with local agencies. This contract provides framework for local agencies and MnDOT to provide services and payment to each other. For example, the City uses MnDOT services for concrete and bituminous plant inspection and other materials testing on our state and federal aid construction projects.</p> <p>The City Attorney has reviewed the new contract agreement and finds it acceptable. The existing Master Partnership Contract expires on June 30, 2022. The new contract will go into effect on July 1, 2022 and last for five years.</p>
