Action	
Adopt the attached assessment role for sanitary sewer I/I private property sewer repairs.	
Background	
As part of the Inflow and Infiltration (I/I) Sewer Inspection Program that the City began in the fall of 2008, the City Council allowed property owners to assess the cost of any sewer repairs that were required as part of the inspection program. The City Council set the terms of the assessment interest rate and period at 3% over 10-years.
