<b>Action</b>	
Approve Meeting Time Change for the Parks and Recreation Advisory Committee	
<b>Background</b>	
<p>At the February 14, 2023 Parks and Recreation Advisory Committee meeting, members discussed the option of changing the meeting start time from 5:30pm to 6:00pm. Staff brought this item before the committee in an attempt to make meets more accessible and equitable for all members, both present and future. This time change also aligns better with other committee start times (Environmental 6:00pm and Planning 6:30pm). Staff has noticed many times over the past year where members were either running late to meetings or needed to be excused due to work or child care conflicts. The slightly later start time should make attendance a little easier for all. All members in attendance voted to approve the change and missing members had a chance to weigh in with no opposition.</p> <p>The committee bylaws require all changes to be approved by the City Council.</p>
