Action	
Establish Juneteenth as an official city holiday, occurring each year on June 19 and authorize the closure of city offices on that day, or, in the event June 19 falls on a weekend in accordance with city policy.	
Background	
In all contracts with bargaining units the city agreed to authorize Juneteenth as a holiday once the holiday was recognized by the State of Minnesota. The legislature has passed, and the governor has signed a law establishing Juneteenth as a state holiday.	
This action establishes Juneteenth as a City holiday for all employees going forward.
