Action	
Approve the resolution accepting a Minnesota Chiefs of Police Foundation Community Partnership Grant for the police department's 2023 Badges and Bobbers program.	
Background	
<p>Sgt. Matt Muellner and Crime Prevention Specialist Laura Vaughan has created a new outreach program in partnership with an organization called Fishing for Life. This program will be taking place this summer and the event will focus on building relationships between police officers and at-risk youth. Twenty to twenty five at-risk youth will go on a field trip to White Bear Lake and will learn and participate in a fishing event and compete in various games.</p> <p>In order to fund this program, Communications and Grant Coordinator Sarah Haugen applied for a grant through the Minnesota Chiefs of Police Foundation Community Partnerships Grant Program. We were notified that an award in the amount of \$2,100.00 was given to the department for the badges and bobbers outreach event.</p>
