Approve a Joint Powers Agreement (JPA) with Dakota County for the Thompson/Oakdale Roundabout Project 20-2.	
Background	
<p>This project will construct a single lane roundabout at Thompson Avenue and Oakdale Avenue and mill/overlay Oakdale Avenue from Butler Avenue to Wentworth Avenue. The roundabout project is part of the executed Thompson Avenue Turnback agreement. Dakota County is funding both the mill/overlay and roundabout projects except a portion of the landscaping inside the new roundabout and half of the new turn lane cost on Oakdale Road at Schletty Lane.</p> <p>On February 28, 2023, the county board administratively approved the JPA. The JPA contract number will be added at the time of county signature.</p>
