<b>Action</b>	
Award Bid for Dome Artificial Turf Replacement	
<b>Background</b>	
<p>The West St Paul Dome opened in 2012. The artificial turf in the dome has an expected lifespan of 8-12 years. Our original turf has been well taken care of, but is starting to show its age. This capital improvement item has been budgeted for replacement in 2023 with an estimated budget of up to \$1M. Staff sent out Request for Proposals in January and received proposals from two contractors. The proposals are to remove the existing turf and reinstall new 2.25" hybrid turf with new infill in July 2023. The proposals were for \$622,850 by Kiefer America LLC and \$639,653 by AstroTurf Corporation. Staff is recommending awarding the bid to Kiefer America LLC.</p>
