

CHARTER COMMISSION INTERVIEW QUESTIONS

Revised January 2025

1. Please introduce yourself and tell us why you are interested in serving on the Charter Commission? Please include any ways you are currently involved in your community.
2. Are you familiar with the City Charter, and are there any ideas you have in mind for changes to the Charter?
3. What parts of city government are you most interested in and why? Do you see particular areas where the City of WSP demonstrates excellence? And do you see areas where the City of WSP can improve?
4. What do you see as your strengths or best qualities that could be helpful in service on the charter commission?
5. Please tell us about a time that you felt as though your opinion on a committee or team was different than the majority of other members. How did you handle that situation and what was the outcome?
6. Is there anything else that you would like to share with us to help us make our decision?
