Action	
Review the attached ordinance amendment to City Code Section 72.02 and approve the final reading.	
Background	
<p>City right-of-way is not intended to be a long-term storage location for trailers and boats. In addition to sight distance and visual clutter, it makes snowplowing difficult on streets and alleys.</p> <p>The ordinance changes will allow trailers/boats in public streets for up to 48 hours. The 48-hour timeline allows ample time to load/unload a trailer/boat.</p> <p>A public hearing and first reading were held on February 23, 2026, at the regular City Council meeting.</p>
