

Meeting Date: Wednesday, April 1, 2026

Prepared By: Jess Hall, Natural Resource, Sustainability, & Environment Specialist

Subject: 2026 Goal Setting

Background

The Committee will start to use an annual work plan to accomplish its goals, as well as aid in accountability, resource allocation and proceed through committee priorities. The Committee is asked to use this time to review and set five goals and the initiatives under each of its five goals for a 2026 workplan.

Requests

The Committee will review previously discussed topics and create a 2026 workplan to set direction and purpose.
