---

**BACKGROUND INFORMATION:**

On May 22, 2018, the Charter Commission met and recommended an increase in Council salaries for 2019 and 2020. This recommendation was adopted by the then sitting City Council on July 23, 2018. On February 26, 2020, the Charter Commission met and recommended increases in current Council and Mayoral salaries for 2021 and 2022. In front of Council at this time is consideration of that recommendation.

Enclosed is the survey from 2018 and an updated survey for 2020. Also enclosed is the Charter provision that relates to this issue and the ordinance which was adopted in 2018.

Under State law, a City Council can only adopt an increase in salary that takes effect after the next General Election; thus the recommendation here.

The Charter Commission is recommending consideration of the following:

Proposed 2022:	\$9878
Current Council Salary:	\$7508
Proposed 2021:	\$7714
