OCWS Backlog Items

BACKGROUND INFORMATION:

Having not had an OCWS meeting from March until June 22, 2020, Council has had a number of backlog items in queue. On June 22, nine of these were addressed. On July 13, we have an additional four (at the time of this writing) on the OCWS agenda.

On July 27, the intent is to discuss:

- Business and Liquor License Grants (post Legislative Special Session)
- Pedestrian Plan Progress; Sidewalk and Trail Gap Funding and Achedule
- Townhome Assessment Formula (from late 2019)
- Recognition/Day Designations

In August, we are anticipating addressing:

- 2021/22 Budget
- 2021-2030 CIP
- Fee Schedule on Inflow & Infiltration, Right-of-Way, Storm Sewer
- IT/BCA Related Policy Amendments
- Rank Choice Voting

It should be noted that issues of immediate import do arise from time to time. As this occurs, the above schedule could change.
