(e) Upon its acquisition of the Development Property at Closing, the Developer will complete the Minimum Improvements in accordance with all local, state, federal laws or regulations.

(f) The Developer will use reasonable efforts to obtain, in a timely manner, all required permits, licenses, insurance, and approvals, and will meet, in a timely manner, all requirements of all applicable local, state, and federal laws and regulations which must be obtained or met before the Minimum Improvements may be lawfully constructed or acquired.

1. One-half of the first $1,000,000 in Developer savings from the Estimated Project Costs shall be added to the Purchase Price; and

2. 20% of any Developer savings from the Estimated Project Costs over such $1,000,000 threshold, shall be added to the Purchase Price.

(b) Any grant money received by Developer for the Development Project will result in an increase in the Purchase Price or a decrease in the City's contribution, up to the amount of the grant. For purposes of interpreting this Section 3.1(B), Developer, the EDA and the City agree that the Purchase Price for the Development Project will only increase by the amount of any grant money that is actually received by the Developer to pay the "Eligible Costs" covered by the Tax Abatement Agreement. If Developer receives grant money to pay any other costs of the Development Project, other than Eligible Costs covered by the Tax Abatement, then the Purchase Price shall not be increased pursuant to this Section 3.1(B).

EDA shall have the right to accompany Developer during any of Developer's Investigations of the Property. Developer shall provide to EDA copies of all third-party, non-confidential written test results and reports conducted as part of Developer's Investigations. Developer agrees to pay all of the costs and expenses associated with Developer's Investigations, to cause to be released any lien on the Property arising as a result of Developer's

Investigations and to repair and restore, at Developer's expense, any damage to the Property caused by Developer's Investigations. Developer shall indemnify and hold EDA harmless from all costs and liabilities, including, but not limited to, reasonable attorneys' fees, arising from Developer's Investigations. The indemnification obligations provided herein shall survive the termination or cancellation of this Agreement.

Upon termination, neither party shall have any further rights nor obligations against the other regarding this Agreement or the Property, except for such obligations as survive termination of this Agreement.

If Developer elects not to exercise any of the contingencies set out herein, such election may not be construed as limiting any representations or obligations of EDA set out in this Agreement, including without limitation any indemnity or representations with respect to environmental matters.

The parties agree that the development of the Minimum Improvements is in the public interest, will provide significant and important benefits to the City and its residents, and is a desirable and appropriate use of the Development Property. Developer acknowledges and agrees that the EDA cannot and does not undertake in this Development Agreement to bind itself to grant or obtain any approvals, permits, variances, zoning or rezoning applications or other matters within the legislative or quasi-judicial discretion of the EDA or the governing body of any other political subdivision or public agency. The EDA nevertheless agrees that upon request of Developer, it will cooperate with Developer to seek and secure approvals, permits, variances, and other matters as may be required prior to the acquisition by Developer of all portions of the Development Property affected thereby, to cause such matters to be timely considered by the EDA, City and Planning Commission or the governing body of other political subdivisions or public agencies with jurisdiction, and to otherwise cooperate with Developer to facilitate implementation of the Minimum Improvements.

Subject to Unavoidable Delays, the Developer shall have substantially completed the construction of the Minimum Improvements no later than December 31, 2021 (except for the connection to the River to River Trail Section, which will be completed as provided in Section 4.9, above). All work with respect to the Minimum Improvements to be constructed or provided by the Developer on the Development Property shall be in substantial conformity with the Construction Plans and Developer will not modify the size or exterior appearance of the Minimum Improvements without the consent of the EDA and the City, which consent shall not be unreasonably withheld. The Developer shall make such reports to the EDA regarding construction of the Minimum Improvements as the EDA deems necessary or helpful in order to monitor progress on construction of the Minimum Improvements.

Section 4.12. Certificate of Completion.

(a) After substantial completion of the Minimum Improvements in accordance with the Construction Plans and all terms of this Agreement, the EDA will furnish the Developer with a Certificate of Completion in the form of Exhibit C hereto. Such certification by the EDA shall be a conclusive determination of satisfaction and termination of the agreements and covenants in this Agreement and in the Development Property Deed with respect to the obligations of the Developer to construct the Minimum Improvements and the dates for the beginning and completion thereof. The Certificate of Completion shall only be issued after issuance of a certificate of occupancy by the City.

(b) The Certificate of Completion provided for in this Section 4.7 shall be in such form as will enable it to be recorded in the proper County office for the recordation of deeds and other instruments pertaining to the Development Property. If the EDA shall refuse or fail to provide such certification in accordance with the provisions of this Section 4.7, the EDA shall, within thirty (30) days after written request by the Developer, provide the Developer with a written statement, indicating in adequate detail in what respects the Developer has failed to complete the Minimum Improvements in accordance with the provisions of the Agreement, or is otherwise in default of a material term of this Agreement, and what measures or acts will be necessary, in the opinion of the EDA, for the Developer to take or perform in order to obtain such certification.

ARTICLE V
Other Obligations of Developer

Section 5.1. Building Permit Fees. Developer acknowledges that building permit fees will be payable by Developer or Successor Developer for Minimum Improvements.

Section 5.2. Administrative Costs. The EDA has incurred and will continue to incur administrative costs in reviewing, analyzing, negotiating and studying the Minimum Improvements and this Development Agreement. In consideration of the time, effort and expenses to be incurred in pursuing the undertakings set forth herein, on or before execution of this Agreement, Developer agrees to pay a $5,000 deposit for the costs of certain consulting fees, including planning, financial, attorneys, engineering, testing and any special meetings. If the

obligations of Developer under this Agreement result in a reduction of the $5,000 cash deposit to a level of $1,000 or less, then at such point, Developer shall make an additional cash deposit with the EDA to raise the total cash on deposit with the EDA to $5,000. This process of redeposit shall be continued until all of the monetary obligations of Developer pursuant to this Section are paid in full. The obligations set forth in this shall remain in full force and effect and shall survive any termination until all monetary obligations of Developer are paid in full. If, after completion of the tasks contemplated by this Agreement and if, after appropriate payment to the EDA, there remains on deposit any sum, then such sum shall be paid over to Developer by the EDA within 30 days after such completion and payment. If Developer terminates this Agreement because of the EDA's default, Developer shall be entitled to payment of any remaining balance. If the EDA terminates this Agreement because of Developer's default, the deposit shall be retained by the EDA. Notwithstanding anything to the contrary contained herein, Developer's total obligation for all costs contemplated by this Section 5.3 shall be capped at $50,000.

Section 5.3. Minimum Improvement Costs. The Developer shall pay for the Minimum Improvements; that is, all costs of persons doing work or furnishing skills, tools, machinery or materials, or insurance premiums or equipment or supplies and all just claims for the same; and the City shall be under no obligation to pay the contractor or any subcontractor any sum whatsoever on account thereof, whether or not the City shall have approved the contract or subcontract.

The Developer is responsible for contracting and paying for the street and utility testing costs. The City's designated inspector on the Project will coordinate the street and utility testing activities. All testing reports shall be sent to the City with a copy to the Developer.

Section 5.4. Miscellaneous and Area Charges. The Developer shall reimburse the City for all miscellaneous costs and Area Charges incurred or to be incurred by the City in connection with this Development Agreement. Such costs shall be paid in cash prior to building permit approval and are identified on Exhibit G.

Section 5.5. Enforcement Costs. The Developer shall pay the City for costs incurred in the enforcement of this Development Agreement, including engineering costs and reasonable attorneys' fees.

Section 5.6. Time of Payment. Developer shall pay all bills from the City within thirty (30) days after billing. Bills not paid within thirty (30) days shall bear interest at the rate of eight percent (8%) per year.

Section 5.7. Miscellaneous Requirements. Any additional requirements as specified by the EDA are incorporated herein.

ARTICLE VI
Insurance and Condemnation

Section 6.1. Insurance.

(a) The Developer shall provide and maintain insurance in the following types and amounts at all times during the process of construction the Minimum Improvements, and shall provide to the EDA upon it request proof of payment of the requisite premiums and proof of current insured status:

1. Builder's risk insurance, written on the so-called "Builder's Risk – Completed Value Basis" in an amount equal to one hundred percent (100%) of the insurable value of the Minimum Improvements at the date of completion, and with coverage available in non-reporting form on the so-called "all risk" form of policy. The interest of the EDA shall be protected in accordance with a clause in form and content satisfactory to the EDA;

2. Comprehensive general liability insurance (including operations, contingent liability, operations of subcontractors, completed operations and contractual liability insurance) together with an Owner's Contractor's Policy with limits against bodily injury and property damage of not less than $1,000,000.00 for each occurrence (to accomplish the above-required limits, an umbrella excess liability policy may be used); and

3. Workers' compensation insurance, with statutory coverage.

The policies of insurance required pursuant to clauses (1) and (2) above shall be in a form and content satisfactory to the EDA and shall be placed with financially sound and reputable insurers licensed to transact business in the State. The policy of insurance delivered pursuant to clause (1) above shall contain an agreement of the insurer to give not less than thirty (30) days advance written notice to the EDA in the event of cancellation of such policy or change affecting the coverage thereunder.

(b) Upon completion of construction of the Minimum Improvements and prior to the Maturity Date, the Developer shall maintain or cause to be maintained, at their sole cost and expense, and from time to time at the request of the EDA shall furnish proof of the payment of premiums on, insurance as follows:

1. Insurance against loss and/or damage to the Minimum Improvements under a policy or policies covering such risks as are ordinarily insured against by similar businesses, including (without limiting the generality of the foregoing) fire, extended coverage, vandalism and malicious mischief, boiler explosion, water damage, demolition cost, debris removal and collapse in an amount not less than the full insurable replacement value of the Minimum Improvements.

2. Comprehensive general public liability insurance, including personal injury liability (with employee exclusion deleted), and automobile insurance, including owned, non-owned and hired automobiles, against liability for injuries to persons and/or property in the minimum amount for each occurrence and for each year of One Million Five Hundred Thousand

3. Such other insurance, including workers' compensation insurance respecting all employees of the Developer, in such amount as is customarily carried by like organizations engaged in like activities of comparable size and liability exposure; provided that the Developer may be self-insured with respect to all or any part of his liability for worker's compensation.

(c) All insurance required in Article VI of this Agreement shall be taken out and maintained with responsible insurance companies selected by the Developer which are authorized under the laws of the State to assume the risks covered thereby. The Developer shall deposit annually with the EDA policies evidencing all such insurance coverages, or a certificate or certificates or binders of the respective insurers stating that such insurance is in full force and effect. Unless otherwise provided in Article VI of this Agreement, each policy shall contain a provision that the insurer shall not cancel nor modify it without giving written notice to the Developer and the EDA at least thirty (30) days before the cancellation or modification becomes effective. Not less than fifteen (15) days prior to the expiration of any policy, the Developer shall furnish the EDA evidence satisfactory to the EDA that the policy has been renewed or replaced by another policy conforming to the terms of this Agreement. In lieu of separate policies, the Developer shall deposit with the EDA a certificate or certificates of the respective insurers as to the amount of coverage in force.

(d) The Developer agrees to notify the EDA immediately in the case of damage exceeding five thousand dollars ($5,000.00) in amount to, or destruction of, the Minimum Improvements or any portion thereof resulting from fire or other casualty. In the event that any such efforts to repair, reconstruct and restore the Minimum Improvements to substantially the same or an improved condition or the extent necessary to accomplish such repair, reconstruction and restoration, the Developer shall apply the Net Proceeds of any insurance settlement or payment relating to such damage received by the Developer to the payment or reimbursement of the costs. Net Proceeds of any insurance settlement or payment relating to such damage up to five thousand dollars ($5,000.00) shall be paid directly to the Developer.

In the event the Minimum Improvements or any portion thereof are destroyed in fire or other casualty and the damage or destruction is estimated to equal or exceed five thousand dollars ($5,000.00), then the Developer shall, unless otherwise mutually agreed, within one hundred and eighty (180) days after such damage or destruction, use their best efforts to proceed to repair, reconstruct and restore the damaged Minimum Improvements to substantially the same condition or utility value as existed prior to the event causing such damage or destruction and, to the extent necessary to accomplish such repair, reconstruction and restoration, the Developer shall apply the Net Proceeds of any insurance settlement or payment

relating to such damage or destruction received by the Developer from the EDA to the payment or reimbursement of the costs thereof. Any Net Proceeds remaining after completion of construction shall be disbursed to the Developer.

(e) If the Developer is in compliance with the terms and conditions of this Agreement, then any Net Proceeds of insurance relating to such damage or destruction received by the EDA shall be released on a schedule as determined by the EDA to the Developer upon the receipt of:

1. A certificate of an authorized representative of the Developer specifying the expenditures made or to be made or the indebtedness incurred in connection with such repair, reconstruction and restoration and stating that such Net Proceeds, together with any other monies legally available for such purposes, will be sufficient to complete such repair, construction and restoration; and

2. If Net Proceeds equal or exceed five thousand dollars ($5,000.00) in amount, the written approval of such certificate by an independent architect or engineer.

The Developer shall complete the repair, reconstruction and restoration of the Minimum Improvements, whether or not the Net Proceeds of insurance settlement or payment received by the Developer for such purposes are sufficient to pay for the same. Any Net Proceeds remaining after completion of such repairs, construction and restoration shall be remitted to the Developer.

Section 6.2. Condemnation. In the event that title to and possession of the Minimum Improvements or any material part thereof shall be taken in condemnation or by the exercise of eminent domain authority by any governmental body or other person (except the EDA) prior to the Maturity Date, the Developer shall, with reasonable promptness after such taking, notify the EDA as to the nature and extent of such taking. Upon receipt of any Condemnation Award and subject to the rights of the first Mortgagee, the Developer shall use the entire Condemnation Award to reconstruct the Minimum Improvements (or, in the event only a part of the Minimum Improvements have been taken, then to reconstruct such part) within the Project.

ARTICLE VII
Prohibitions Against Assignment and Transfer; Indemnification

Section 7.1. Representation as to Redevelopment. The Developer represents and agrees that its purchase of the Development Property, and other undertakings pursuant to this Agreement, are, and will be used, for the purpose of redevelopment of the Development Property and not for speculation. The Developer further recognizes that, in view of (a) the importance of the redevelopment of the Development Property to the general welfare of the community; and (b) the substantial financing and other public aids that have been made available by the EDA for the purpose of making such redevelopment possible, the identity of the Developer is of particular

concern to the community and the EDA. The Developer further recognizes that it is because of Developer's qualifications and identity that the EDA is entering into this Agreement with the Developer, and in so doing, is further willing to accept and rely on the obligations of the Developer for the faithful performance of all undertakings and covenants hereby to be performed.

Section 7.2. Prohibition Against Transfer of Property and Assignment of Agreement. For the foregoing reasons the Developer represents and agrees that until the Maturity Date:

(a) The Developer has not made or created, and that it will not make or create, or suffer to be made or created, any total or partial sale, assignment, conveyance or any trust or power, or transfer in any other mode or form of or with respect to the Agreement or the Development Property or any part thereof or any interest therein, or any contract or agreement to do any of the same, without the prior written approval of the EDA.

(b) The EDA shall be entitled to require, except as otherwise provided in the Agreement, as conditions to any such approval that:

1. Any proposed transferee shall have the qualifications and financial responsibilities, as determined by the EDA, necessary and adequate to fulfill the obligations undertaken in this Agreement by the Developer (or in the event the transfer is of or relates to part of the Development Property, such obligations to the extent that they relate to such part);

2. Any proposed transferee, by instrument in writing satisfactory to the EDA and in form recordable with the land records, shall, for itself, and assigns, and expressly for the benefit of the EDA, expressly assume all of the obligations of the Developer under this Agreement and agree to be subject to all the conditions and restrictions to which the Developer is subject (or, in the event the transfer is of or relates to part of the Development Property, such obligations, conditions and restrictions to the extent that they relate to such part) unless the Developer agrees to continue to fulfill those obligations, in which case the preceding provisions of this Section 7.2(b)(2) shall not apply: Provided, that the fact that any transferee of, or any other successor in interest whatsoever to the Development Property or any part thereof, shall, whatever the reason, not have assumed such obligations or so agreed, shall not (unless and only to the extent otherwise specifically provided in this Agreement or agreed to in writing by the EDA) deprive or limit the EDA of or with respect to any rights or remedies or controls with respect to being the intent that no transfer of, or change with respect to, ownership in the Development Property or any part thereof, or any interest therein, however consummated or occurring and whether voluntary or involuntary, shall operate, legally or practically, to deprive or limit the EDA of or with respect to any rights or remedies or controls provided in or resulting from this Agreement with respect to the Development Property

and the construction and acquisition of the Minimum Improvements that the EDA would have had, had there been no such transfer or change; and

3. There shall be submitted to the EDA for review all instruments and other legal documents involved in effecting transfer; and if approved by the EDA, its approval shall be indicated to the Developer in writing.

Section 7.3. Release and Indemnification Covenants.

(a) The Developer covenants and agrees that the EDA, the City and the City Council, and its officers, agents, servants and employees are not liable for and agrees to release, indemnify and, hold harmless the EDA, the City and the City Council, officers, agents, servants and employees against any loss or damage to property or any injury to or death of any person occurring at or about or resulting from any defect in the Minimum Improvements, except for loss or damage resulting in willful misconduct or willful negligence of the EDA, the City or the City Council, officers, agents, servants or employees.

(b) Except for any willful misrepresentations or any willful or wanton misconduct or negligence of the following named parties, the Developer agrees to protect and defend the EDA, the City and the City Council, and its officers, agents, servants and employees, now and forever, and further agrees to hold the EDA harmless from any claim, demand, suit, action or other proceeding whatsoever by any person or entity whatsoever arising or purportedly arising from this Agreement, or the transactions contemplated hereby or the acquisition, construction, installation, ownership, and operation of the Minimum Improvements.

(c) Except as otherwise specifically provided in this Agreement, the EDA, the City and the City Council, officers, agents, servants and employees shall not be liable for any damage or injury to the persons or property of Developer, their officers, agents, servants or employees or any other person who may be about the Development Property or Minimum Improvements due to any act of negligence of any person other than the EDA, the City or the City Council members, officers, agents, servants or employees.

(d) All covenants, stipulations, promises, agreements and obligations of the EDA contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the EDA and not of any City Council member, officer, agent, servant or employee of the City or the EDA in his or her individual capacity.

(e) Developer shall indemnify, release, and hold harmless the EDA, its officers, agents, servants and employees, as well as the City, the City Council, and its officers, agents, servants and employees, against all costs, damages or expenses the EDA may incur in enforcing any obligation, agreement or covenant that runs with the Development Property, including attorneys' fees.

Section 7.4. Agreements Regarding Holders and Mortgage Deeds. Notwithstanding anything to the contrary contained in the Agreements or the Development Property Deed, the Developer, EDA and the City agree as follows:

(a) Developer may grant a first priority Mortgage Deed against the Development Property in order to secure a loan from a Holder ("Holder") the proceeds of which will be used to construct, finance or refinance the Development Property (a "Project Loan"), in each case without the prior consent of the City or the EDA;

(b) Developer may collaterally assign all of its rights and obligations under the Agreement to any Holder as additional security for the repayment of any Project Loan without the prior consent of the City or the EDA;

(c) The foreclosure of a Mortgage Deed (or the transfer of the Development Property by the Developer to a Holder in lieu of foreclosure of a Mortgage Deed) shall not require the consent of the City or the EDA, but the Development Property shall remain subject to the terms and conditions of the Agreement notwithstanding such foreclosure (or transfer in lieu of foreclosure);

(d) With respect to any Mortgage Deed granted to a Holder:

1. City and the EDA hereby subordinate to such Mortgage Deed (and the rights of the Holder thereunder) any right the City or the EDA may have to declare a forfeiture and rescind the Development Property Deed, including (without limitation) those rights referenced in: (A) Section 3.6(a)(i), Section 8.2(b) and Section 8.2(e) of the Agreement; and (B) Section 2 of the Development Property Deed;

2. City and the EDA hereby subordinate to such Mortgage Deed (and the rights of the Holder thereunder) any rights the City or the EDA may have with respect to the proceeds of Developer's insurance policies referenced in Section 6.1(d) of the Agreement;

3. City and the EDA hereby subordinate to such Mortgage Deed (and the rights of the Holder thereunder) any rights the City or the EDA may have with respect to any condemnation proceeds referenced in Section 6.2 of the Agreement;

4. City and the EDA agree to provide copies of all notices sent to the Developer under the Project Agreements to any Holder (provided that written notice of the Holder's address is provided by Developer to the City and the EDA); and

5. City and the EDA agree: (i) that each Holder will have such additional time (in excess of that given to Developer under the Project Agreements) as may be reasonably necessary in order to allow Holder to obtain control of the Development Project in order to cure any Event of Default (as defined in each of the Project Agreements); and (ii) to accept a cure by any Holder of any such Event of Default under the Project Agreements.

In connection with the granting of any Mortgage Deed to a Holder, if requested by Developer, the City and the EDA will agree to deliver a commercially reasonable and recordable agreement in favor of any Holder further evidencing the terms and provisions of this Section 7.4.

ARTICLE VIII
Events of Default

Section 8.1. Events of Default Defined. The term "Event of Default" shall mean any one or more of the following events:

(a) Failure by the Developer to pay when due any payments required to be paid under this Agreement.

(b) Failure by the EDA or the Developer to proceed to Closing on the Development Property after compliance with or the occurrence of all conditions precedent to Closing.

(c) Failure by the Developer to commence and complete construction of the Minimum Improvements pursuant to the terms, conditions and limitations of Article IV of this Agreement, including the timing thereof, unless such failure is caused by an Unavoidable Delay.

(d) Failure by the Developer to pay real estate taxes or special assessments on the Development Property and Minimum Improvements as they become due.

(e) Failure by Developer to comply with the terms and conditions of the Tax Abatement Agreement.

(f) Failure by the Developer to observe or perform any other covenant, condition, obligation or agreement on his part to be observed or performed hereunder.

(g) If the Developer:

Section 8.2. Remedies on Default. Whenever any Event of Default referred to in Section 8.1 of this Agreement occurs, the EDA may exercise its right under Section 8.2(a) below without notice to Developer and may take any one or more of the actions described in Section 8.2(b)-(f) after providing thirty (30) days written notice, but only if the Event of Default has not been cured within said thirty (30) days or, if the Event of Default cannot be cured within thirty (30) days, the Developer does not provide assurance to the EDA reasonably satisfactory to the EDA that the Event of Default will be cured as soon as reasonably possible:

(a) The EDA may suspend its performance under the Agreement until it receives assurances from the Developer, deemed adequate by the EDA, that the Developer will cure their default and continue their performance under the Agreement.

(b) The EDA may cancel and rescind or terminate this Agreement.

(c) The EDA may withhold the Certificate of Completion.

(d) The EDA may withhold the Net Proceeds from the insurance policies provided to the EDA pursuant to Section 6.1 of this Agreement and in accordance with the terms of the policies.

(e) The EDA may require the Developer to re-convey all remaining undeveloped properties and properties with incomplete projects within the Development Property to the EDA, free and clear of all liens and encumbrances.

(f) The EDA may take whatever action, including legal, equitable or administrative action, which may appear necessary or desirable to the EDA to collect any payments due under this Agreement, or to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement. Developer shall indemnify the EDA, EDA's officers, employees and agents against

all costs, damages or expenses the EDA may incur in enforcing any obligation, agreement or covenant, including attorneys' fees.

Section 8.3. No Remedy Exclusive. No remedy conferred upon or reserved to the EDA is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative.

Section 8.4. No Additional Waiver Implied by One Waiver. In the event any condition contained in this Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

ARTICLE IX
FINANCIAL OBLIGATIONS

Section 9.1. Developer's Letter of Credit Amount. Prior to release of the Final Plat for recording, the Developer shall deposit with the City an irrevocable LOC for the amounts required in Exhibits E and F. In lieu of an irrevocable LOC, Developer may deposit cash or other security acceptable to City.

All cost estimates shall be acceptable to the City Engineer. The bank and form of the irrevocable LOC shall be subject to approval by the City Finance Director and shall continue to be in full force and effect until released by the City. The irrevocable LOC shall be for a term ending two (2) years after acceptance by the City. In the alternative, the letter of credit may be for a one-year term provided it is automatically renewable for successive one-year periods from the present or any future expiration dates, and further provided that the irrevocable LOC states that at least sixty (60) days prior to the expiration date the bank will notify the City if the bank elects not to renew for an additional period. The irrevocable LOC shall secure compliance by the Developer with the terms of this Development Agreement. The City may draw down on the irrevocable LOC or cash deposit, without any further notice than that provided in Section 14.1 relating to a Developer Default, for any of the following reasons:

(a) a Developer Default; or

(b) upon the City receiving notice that the irrevocable LOC will be allowed to lapse prior to two (2) years after acceptance by the City.

The City shall use the LOC proceeds to reimburse the City for its costs and to cause the Minimum Improvements to be constructed to the extent practicable; if the City Engineer determines that such Minimum Improvements have been constructed and after retaining 10% of the proceeds for later distribution pursuant to Section 9.2, the remaining proceeds shall be distributed to the Developer.

With City approval, the irrevocable LOC may be reduced pursuant to Section 9.2 from time to time as financial obligations are paid.

Section 9.2. Escrow Release and Escrow Increase; Minimum Improvements. The Developer may request that the LOC or cash deposits required by the Development Agreement be reduced at the time of substantial completion of certain elements of the Project. Within thirty (30) days after receipt of any such request, the City shall reduce the LOC or cash deposits to 150% of the value of only the outstanding incomplete improvements, as determined by the City Engineer.

If it is determined by the City that the Construction Plans were not strictly adhered to, or that work was done without City inspection, the City may require, as a condition of acceptance, that the Developer post an irrevocable LOC, or cash deposit equal to 125% of the estimated amount necessary to correct the deficiency or to protect against deficiencies arising therefrom. In the event that work, which is concealed, was done without permitting City inspection, then the City may, in the alternative, require the concealed condition to be exposed for inspection purposes.

Section 9.3. Developer's Cash Fees and Cash Escrow Requirements. At the time of (and as a condition to) the issuance of building permits, Developer shall deposit the Engineering Escrow (as identified on Exhibit G) with the City for those items and in the amounts required in Exhibit G. The City shall use the Engineering Escrow to reimburse the City for its costs of Plan Review and Inspections of and with respect to the Site Improvements identified on Exhibit E. If such escrow amounts are insufficient to fully reimburse the City for such costs, the City shall submit an invoice to Developer for any deficiencies, which shall be paid within 30 days by Developer.

ARTICLE X
Additional Provisions

Section 10.1. Failure to Construct Minimum Improvements. If the Developer fails to construct the Minimum Improvements, the City at its option, may install and construct the Minimum Improvements. In such case, the City, at its option, may specially assess the cost wholly or in part therefore under Minnesota Statutes Chapter 429, or may draw on the irrevocable LOC or cash deposit. If the City specially assesses the cost of any portion thereof, then the Developer hereby waives any and all procedural and substantive objections to the installation of the improvements and the special assessments, including, but not limited to, notice and hearing requirements and any claim that the special assessments exceed the benefit to the Development Property. The Developer waives any appeal rights otherwise available pursuant to Minnesota Statute § 429.081. The Developer acknowledges that the benefit from the improvements equal or exceed the amount of the special assessments.

Section 10.2. Conflict of Interests; EDA Representatives Not Individually Liable. No member, official, or employee of the EDA shall have any personal interest, direct or indirect in this Agreement, nor shall any such member, official, or employee participate in any decision relating to the Agreement which affects personal interests or the interests of any corporation, partnership or association in which the person is directly or indirectly interested. No member, official, or employee of the EDA shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach by the EDA or for any amount which may become due to the Developer or successor or on any obligations under the terms of the Agreement.

Section 10.3. Equal Employment Opportunity. The Developer, for itself and its successors and assigns, agrees that during the construction of the Minimum Improvements provided for in this Agreement, it will comply with all applicable equal employment and nondiscrimination laws and regulations.

Section 10.4. Restriction on Use. The Developer, for itself and its successors and assigns, agrees to devote the Property and Minimum Improvements only to such land use or uses as may be permissible under the City's land use regulations.

Section 10.5. Provisions Not Merged With Development Property Deed. None of the provisions of this Agreement is intended to or shall be merged by reason of delivery of the Development Property Deed and the Development Property Deed shall not be deemed to affect or impair the provisions and covenants of this Agreement.

FORM OF
DEVELOPMENT PROPERTY DEED

THIS INDENTURE, between the West St. Paul Economic Development Authority, a public body corporate and politic organized and existing under the constitution and laws of Minnesota (the "Grantor"), and TF WSP, LLC, a Delaware limited liability company (the "Grantee").

WITNESSETH, that Grantor, in consideration of the sum of $_____ and other good and valuable consideration, the receipt whereof is hereby acknowledged, does hereby grant, bargain, quit claim and convey to the Grantee, their heirs and assigns forever, all the tract or parcel of land lying and being in the County of Dakota and State of Minnesota described as follows, to-wit (such tract or parcel of land is hereinafter referred to as the "Property"):

Lot 1, Block 1, WEST SAINT PAUL APARTMENTS

To have and to hold the same, together with all the hereditaments and appurtenances thereunto belonging in now or hereafter pertaining, to the said Grantee, their heirs and assigns, forever,

Provided:

SECTION 1

It is understood and agreed that this Deed is subject to the covenants, conditions, restrictions and provisions of an agreement entered into between the Grantor and Grantee on the _____ day of _____, 2020 identified as "Contract for Private Development" (hereinafter referred to as the "Agreement") and that the Grantee shall not convey the Property, or any part thereof, without the consent of the Grantor, until a Certificate of Completion of this Agreement as to the Property or such part thereof then to be conveyed, has been placed of record with Dakota County. This provision, however, shall in no way prevent the Grantee from mortgaging this Property in order to obtain funds for the purchase of Property hereby conveyed and from erecting improvements in conformity with the Agreement, any applicable redevelopment plan and applicable provisions of the Zoning Ordinance of the City of West St. Paul, Minnesota.

It is specifically agreed that the Grantee shall promptly begin and diligently prosecute to completion the redevelopment of the Property through the construction of the Minimum Improvements thereon, as provided in the Agreement.

Promptly after completion of the improvements in accordance with the provisions of the Agreement, the Grantor will furnish the Grantee with an appropriate instrument so certifying. Such certification by the Grantor shall be (and it shall be so provided in the certification itself) a conclusive determination of the satisfaction and termination of the agreements and covenants of the Agreement and of this Deed with respect to the obligation of the Grantee, and their heirs and

assigns, to construct the improvements and the dates for the beginning and completion thereof. Such certification and such determination shall not constitute evidence of compliance with or satisfaction of any obligation of the Grantee to any holder of a mortgage, or any insurer of a mortgage, securing money loaned to finance the purchase of the Property hereby conveyed or the improvements, or any part thereof.

All certifications provided for herein shall be in such form as will enable them to be recorded with the County Recorder, or Registrar of Titles, Dakota County, Minnesota. If the Grantor shall refuse or fail to provide any such certification in accordance with the provisions of the Agreement and this Deed, the Grantor shall, within thirty (30) days after written request by the Grantee, provide the Grantee with a written statement indicating in adequate detail in what respects the Grantee has failed to complete with the improvements in accordance with the provisions of the Agreement or is otherwise in default, and what measures or acts will be necessary, in the opinion of the Grantor, for the Grantee to take or perform in order to obtain such certification.

SECTION 2

In the event the Grantee herein shall, prior to the recording of the certificate of completion referred to above:

(a) Fail to begin construction of the improvements provided for in this Deed and the Agreement in conformity with the Agreement and such failure is not due to Unavoidable Delays and is not cured within thirty (30) days after written notice to do so; or

(b) Default in or violate its obligations with respect to the construction of the improvements provided for in this Deed and the Agreement, or shall abandon or substantially suspend construction work, and such default, violation or failure is not due to Unavoidable Delays and any default or violation, abandonment or suspension is not cured, ended or remedied within thirty (30) days after written demand by the Grantor to do so; or

(c) Fail to pay real estate taxes or assessments on the Property or any part thereof when due, or shall place thereon any encumbrance or lien unauthorized by the Agreement with the Grantor, or shall suffer any levy or attachment to be made, or any mechanic's liens, or any other unauthorized encumbrances or liens to attach, and such taxes or assessments shall not have been paid or the encumbrance or lien removed or discharged, or provisions satisfactory to the Grantor made for such payments, removal or discharge, within 30 days after written demand by the Grantor to do so; provided, that if the Grantee shall first notify the Grantor of his intention to do so, it may in good faith contest any mechanic's or other lien filed or established and in such event the Grantor shall permit such mechanic's or other lien to remain undischarged and unsatisfied during the period of such contest and any appeal, but only if the Grantee provides the Grantor with a bank letter of credit or other security in the amount of the lien, in a form satisfactory to the Grantor pursuant to which the bank will pay to the Grantor the amount of any lien in the event that the lien is finally determined to be valid and during the course of such contest the Grantee shall keep the EDA informed respecting the status of such defense; or

(d) Cause, in violation of the Agreement or of this Deed, any transfer of the Property or any part thereof, and such violation shall be not cured within sixty (60) days after written demand by the Grantor to the Grantee; or

(e) Fail to comply with any of its other covenants under the Agreement and fail to cure any such noncompliance within thirty (30) days after written demand to do so; or

(f) Default under the terms of a mortgage loan authorized by the Agreement and the holder of the mortgage exercises any remedy provided by the mortgage documents or exercises any remedy provided by law or equity in the event of a default in any of the terms or conditions of the mortgage;

then the Grantor shall have the right to re-enter and take possession of the Property and to terminate and revest in the Grantor the estate conveyed by this Deed to the Grantee, their heirs or successors in interest, but only if the events stated in Section 2(a-f) have not been cured within the time periods provided above, or if the events cannot be cured within such time periods, and the Grantee does not provide assurances to the EDA, reasonably satisfactory to the EDA, that the events will be cured as soon as reasonably possible.

The Grantor certifies that the Grantor does not know of any wells on the described real property.

SECTION 3

The Grantee agrees for themselves and their heirs and assigns to or of the Property or any part thereof, hereinbefore described, that the Grantee and such heirs and assigns shall:

(a) Devote the Property to, and only to and in accordance with, the uses specified in any applicable redevelopment plan as amended and extended;

(b) Not discriminate on the basis of race, color, creed, national origin, age or sex in the sale, lease, rental or in the use or occupancy of the Property or any improvements erected or to be erected thereon, or any part thereof.

It is intended and agreed that the above and foregoing agreements and covenants shall be covenants running with the land, and that they shall, in any event, and without regard to technical classification or designation, legal or otherwise, and except only as otherwise specifically provided in this Deed, be binding, to the fullest extent permitted by law and equity for the benefit and in favor of, and enforceable by, the Grantor against the Grantee, their heirs and assigns, and every successor in interest to the Property, or any part thereof or any interest therein, and any party in possession or occupancy of the Property or any part thereof.

In amplification, and not in restriction of, the provisions of the preceding section, it is intended and agreed that the Grantor shall be deemed beneficiary of the agreements and covenants provided herein. Such agreements and covenants shall run in favor of the Grantor without regard to whether the Grantor has at any time been, remains, or is an owner of any land or interest therein to, or in favor of, which such agreements and covenants relate. The Grantor shall have the right,

in the event of any breach of any such agreement or covenant to exercise all the rights and remedies, and to maintain any actions or suits at law or in equity or other proper proceedings to enforce the curing of such breach of agreement or covenant, to which it or any other beneficiaries of such agreement or covenant may be entitled. Grantor shall be entitled to recover the costs for such enforcement, including attorneys' fees.

SECTION 4

This Deed is also given subject to:

(a) Provision of the ordinances, building and zoning laws of the City of West St. Paul, state and federal laws and regulations in so far as they affect this real estate.

(b) Taxes payable subsequent to the date of this conveyance.
