Kaposia Landing Off-Leash Dog Park

Now that the Port Crosby property has been converted into usable park and open space and re-named **Kaposia Landing**, the first active amenity constructed from the park Master Plan is the off-leash dog park area. This 6.3 acre parcel offers dogs and their owners the only legal dedicated area to run, recreate and train without a leash in the city.

Features:

The dog park features a fully fenced perimeter, bull pen entry and exit area, two shelters with picnic tables, Mutt Mitt waste disposal stations, trash containers and an information/bulletin board kiosk. Another feature is the easy accessibility to the Northern Dakota County Regional Trail along the Mississippi River. **Dog Owners: Please bring ample water for your dog. There is no running water on site.**

Membership Information:

Users of the park are asked to participate in a membership to the Kaposia Landing Dog Park for a modest fee of \$20/year. Your membership will directly support the on-going development of the dog park and each member will receive a regular newsletter and promotional benefits. Membership forms are available on-line at www.southstpaul.org or at the Parks
