-------	--------	------

I have attached a site map of the property and identified the specific location where the business activity may be conducted.

The use of this location for the business activity will not reduce the number of parking spaces below the minimum number required by the City.

- Number of parking spaces required for the existing use
- Number of parking spaces in the parking lot
- Number of parking spaces that will be eliminated due to the business activity
- Calculate spaces needed for set-up of business activity as well as parking spaces that will be used by the seller and customers.
